

AHSAA Concussion Policy

Any student athlete who exhibits signs, symptoms or behaviors consistent with a concussion shall be removed from the contest and shall not return to play until a medical release is issued by a medical doctor.

Any health care professional or AHSAA certified coach may identify concussive signs, symptoms or behaviors of a student athlete during any type of athletic activity. Once concussive signs are identified, only a medical doctor can clear the athlete to return to play. Any school in violation of the AHSAA policy application of National Federation rule will be subject to sanctions.

An online NFHS Concussion Course is required for all certified coaches (faculty and non-faculty). The free educational course will aid in identifying symptoms of a concussion and the procedure to follow when these symptoms are recognized. The course is available at www.nfhs.org.
